UNCONVENTIONAL MUSTS

In any guide to Paris you can find all the usual stuff you can do in Montmartre, arguably one of the most "Parisian" quarters of Paris, or maybe just one of the most cute and cinematographic (as made famous by Amélie.) In this minimap I share with you things that are not so obvious, places that are not tourist traps, and one secret: getting lost walking around Montmartre is as unavoidable as it is wonderful. Bonne journée!

-Ana.
