UNWIND IN BUDAPEST

Budapest is a laid back city full of thermal baths, great food spots and casual bars.

Take your time, relax and unwind.

1. GREAT MARKET HALL

If you enjoy people watching, or just watching the world go by, this is a great place to start the day amidst the hustle and bustle of stallholders. It is also the place to go if you are wanting to try a traditional meal or are looking to buy some paprika as a souvenir.
