

A PINTXO ROUTE

It is not easy for someone to understand from afar how amazing San Sebastian is, and I know this because I myself did not know it, or rather, I felt it, until I saw it, walked it and tasted it. Especially the latter, not in vain Donosti is recognized worldwide for its gastronomy and for being the birthplace of my favorite pintxo: the gilda. Going for pintxos is the perfect activity to savor this city.
